				Other (State):	
Fire Precautions/Extinguisher Type					
Suitable extinguishing media: water spray, foam, dry powder					
Unsuitable extinguishing media for safety reasons: carbon dioxide					
Accidental Release					
Avoid inhalation. Use personal protective clothing. Avoid contact with the skin, eyes and clothing.					
Environmental Controls					
Do not discharge into the subsoil/soil. Do not discharge into drains/surface waters/groundwater. Do not allow contamination of public drains or surface or ground waters. Inform local water plc if spillage enters drains and the Environment Agency (England & Wales), the Scottish Environmental Protection Agency (Scotland), or the Environment and Heritage Service (Northern Ireland) if it enters surface or ground waters. Keep people and animals away.					
Clean Up / Spillage					
For small amounts: Contain with dust binding material and dispose of.					

For large amounts: Sweep/shovel up.

Avoid raising dust. Dispose of absorbed material in accordance with regulations. Collect waste in suitable containers, which can be labeled and sealed. Clean contaminated floors and objects thoroughly with water and detergents, observing environmental regulations.

Safe Handling

No special measures necessary if stored and handled correctly. Ensure thorough ventilation of stores and work areas. When using do not eat, drink or smoke. Hands and/or face should be washed before breaks and at the end of the shift. Do not apply in the open – cover bait points or use bait boxes. If dead and/or dying rats or mice are found during and after the control program, these must be cleared away immediately in order to avoid secondary poisoning phenomena.

Storage

Segregate from foods and animal feeds. Odour-sensitive: Segregate from products releasing odours. Further information on storage conditions: Keep only in the original container in a cool, well ventilated place. Keep container dry. Keep away from heat. Protect from direct sunlight. Protect against moisture.
